

Record Request 2021-546

Public Records Request <records@talgov.com>

Good Day

Please see response below from the Blueprint office.

The IMC functions as co-administrators to manage the Blueprint Agency, and is not a board or commission. The IMC has not held any meetings, thus no minutes exist. There are no future meetings scheduled.

Best Regards,

Susan Myers

Very well. I would like a copy of all future meeting schedules of the IMC scheduled for 2021, with their time, date, and place.

Good Day!

Blueprint staff responded that no minutes are kept of IMC meetings. Therefore, there are no responsive records

Thank you
